

It's a WIN, WIN, WIN situation!

Application for Low Cost Spay/Neuter Assistance Program (please print neatly and clearly)

YOU WIN, because:

- You will save money
- The application procedure is easy and less restrictive than some other programs
- You will have the satisfaction of knowing you are not contributing to the kill rates at area shelters

PETS WIN, because:

- His/Her desire to roam to find a mate will be eliminated
- Spay/Neuter is healthy
- Behaviors associated with finding a mate - such as aggression, spraying, fighting and howling- will be removed or lessened

THE COMMUNITY WINS, because:

- The number of unwanted animals languishing and dying in shelters is reduced
- The number of feral cat colonies and feral dog packs struggling for survival is lowered
- Tax monies could potentially be redistributed to other municipal benefits
